

Game Jam Spring 2023

Name: Anne Marie Heidebreicht

NetID: alh1310

Game Name: Making Change

Game Idea: Math game where you have to select the correct change

Rules:

1. Use the arrows to select a quantity of coins/bills
2. Match your answer to what is expected (what "Change Due:" says)
3. Score will increase as you get more correct. When you get an incorrect answer, the game is over.
4. The more you get correct, the harder it will be.
